

The question isn't whether  
you're ready for weight-loss surgery.

It's whether you're ready for  
lower blood pressure, lower blood sugar,  
less joint pain, and a good night's sleep.

To learn more about the minimally invasive LAP-BAND® adjustable gastric band procedure and our Bariatric program, visit [www.jhsmh.org](http://www.jhsmh.org). Or call 502-361-6059 to register for a free seminar.

**Jewish Bariatric Care at  
Sts. Mary & Elizabeth Hospital**

A service of Jewish Hospital & St. Mary's HealthCare
